MedOne Plastic Surgery: Questions and Answers (Q&A)

- **Comprehensive Questions:** MedOne Plastic Surgery contains nearly 2,000 multiple choice questions and answers covering a wide variety of topics in aesthetic and reconstructive plastic surgery, including complete board review.
- **Enhanced Study Modes:** Choose between review mode and a single-answer practice exam. Personalize sessions to target specific topics and adjust timing and difficulty levels.
- **Customizable Learning Experience:** Users can track individual progress with statistics and options to review based on criteria such as whether a question is new or has been answered incorrectly. Each user's individual MedOne account allows for personalized study.

Editor/Author	Title	Q&A Count
Janis/Jones	Essentials of Plastic Surgery: Q&A Companion 1e	1045
Janis/Jones	Essentials of Plastic Surgery: Q&A Companion 2e	1625
Janis	Essentials of Aesthetic Surgery: Q&A Companion	752

MedOne Plastic Surgery: Procedures

Before heading into surgery, users can review individual techniques. With step-by-step attention to preoperative, operative, and postoperative care, they can focus on every stage of their training. Each procedure includes clickable images and source references, making it easy for them to study and review.

Procedure Subspecialties	
Aesthetic Surgery	Reconstructive Surgery

MedOne Plastic Surgery: Cases

Users can work through real patient cases from start to finish, so that they know what to expect in exams or the clinic. They can learn how to treat the patient, analyze the imaging, and see the results, all as they test themselves using the questions included in each case.

Case Subspecialties	
Plastic Surgery Case Review 2/e	The Nose - Revision and Reconstruction: Casebook
Plastic Surgery Oral Boards: Case Prep	Plastic Surgery Case Review 1/e

MedOne Plastic Surgery: Media

Images and videos are at users' fingertips with MedOne's media collection. Prepare for the OR with narrated operative videos, and study a wealth of photographs, illustrations, and radiographic images. Users can easily compare images and take notes. Plus, one-click downloads any image as a PDF or PPT slide with automatically included bibliographic information that's compatible with reference manager software.

Media Type	Total Count
Videos	3977
Images	130.2k
Cases	222
Procedures	212

MedOne Plastic Surgery: Playlists

Users can create customized modules with MedOne Plastic Surgery content, personal files, or external links. Playlists can be private, shared with others at your institution, or made publicly available to MedOne Plastic Surgery users at other institutions.

MedOne Plastic Surgery: Learn from the Masters

They pioneered the techniques your plastic surgeons use and the cutting-edge procedures they don't use — yet. When they are learning the procedures they perfected, why not go to the source? Material direct from worldwide, world-renowned experts include videos explaining their techniques, demonstrating operations, and discussing complications, so they don't need to travel the world to have the best among their mentors.
