

## How to access MedOne from home

Your institution provides you with access to MedOne, the complete platform for medical reference and education. But you don't have to be on campus to take advantage of MedOne — with these steps, you can access at home, or anywhere!

### Go to the MedOne product you would like to access:

<https://medone-comsci.thieme.com>

<https://medone-education.thieme.com>

<https://medone-neurosurgery.thieme.com>

<https://medone-ophthalmology.thieme.com>

<https://medone-otolaryngology.thieme.com>

<https://medone-plasticsurgery.thieme.com>

<https://medone-radiology.thieme.com>

<https://tta.thieme.com>

### 1. Create a Thieme Account

In order to access MedOne remotely, you must first create a Thieme Account. If creating a Thieme Account for the first time, follow the account creation steps while authenticated on your institution's network so that you are recognized as a legitimate user.

You can find your Thieme Account anytime through the upper-right hand menu on MedOne.

## 2. Activate Remote Access

Once you have created your Thieme account, log in while on the IP range or recognized network of your organization (e.g., proxy, Shibboleth/Open Athens)

**Note:** If you are connected to the network of your organization in your Thieme product, you will see your organization's name in the header.

To activate your MedOne remote access, login to your Thieme Account while on your organization's network. Click on "Thieme Account" under your name in the upper right corner. Once inside your Thieme Account, click on the tile that says "Activate Remote Access"

The top screenshot shows the 'Thieme Account' dashboard. The left sidebar contains links for Home, My Data, My Organizations, and My Products. The main content area is titled 'Hello Thieme Publishers' and contains a grid of tiles. The 'Activate Remote Access' tile is highlighted with a blue circle and a line pointing to a text box. The bottom screenshot shows the 'My Organizations' page. The left sidebar is the same. The main content area is titled 'My Organizations' and contains a progress bar and a table listing the organization 'Thieme IP Account'. A blue line points from the text box to the organization name in the table.

**My Organizations**

**Membership in organizations**

Connect your account to your organization (remote access) to use their licenses. The connection is limited in time. To show that you still belong to the organization, log in to the organization's network or use Shibboleth. Learn more.

Thieme IP Account
Source: Assigned by Thieme Admin Duration: Not available
End membership

Your organization is now recognized, and will be displayed under "My Organizations" in your Thieme account. You can manually activate, or disable, your remote access from within your Thieme Account

You can now access everything on MedOne —videos, books, journals, Q&A, board review, and more —from home!

**Note:** Remote access is valid for 180 days. If you authenticate again within this period, proving your continued affiliation, the remote access will automatically be extended for another 180 days.
