

# MedOne Vet

Your knowledge platform  
for Veterinary Medicine.

Thieme

***Complete knowledge on small, large,  
and exotic animals at your fingertips!***

## Ebook Content

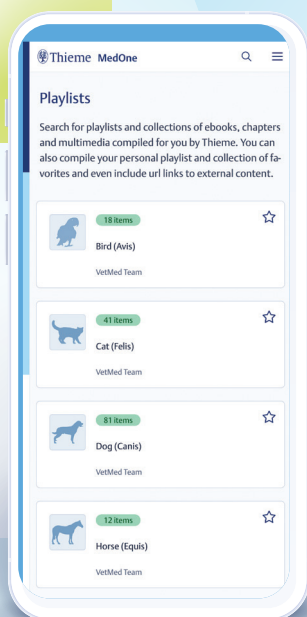

Discover our library of over 90 veterinary ebooks for English- and Spanish- speakers, drawn from Thieme's flagship collection of German-language veterinary publications.

## Media

Enrich your students' learning experience with visual resources that can be examined in detail in our advanced media viewer.

## Playlists

Support your students' learning journey through curriculum-based collections as well as personalized playlists that can be shared across your organization. Playlists are organized both by animal type and specialty.
